## APPRECIATION LETTER

**Shreeramji Clothing** has procured One Motex 15000 'Uniflo' Stenter Machine of Ten chambers of latest technology from **M/S InspirOn Engineering Pvt. Ltd. Ahmedabad** in last year 2025.

From the very beginning of the project, your team demonstrated a high level of professionalism, responsiveness and technical expertise.

Since installation at our plant, the machine has been running smoothly and consistently, delivering premium fabric quality. We are doing process of Heat-setting, Drying and Finishing of SJ,SJ lycra, DJ lycra, Fleece, PK, Polyester knit ,Interlock etc. knitted fabric on Motex Stenter.

We are continuously achieving Production of **13 tons** per day from Stenter.

The Metallurgy, precise accessories and user-friendly interface are a testament to the superior engineering and craftsmanship that **InspirOn** is known for.

We look forward to exploring more opportunities to work together in the near future.

For Shreeramji Clothing India Pvt. Ltd.
