

ARAMS TEXTILES PVT. LTD.

21 OCTOBER 2023

TO WHOMSOEVER IT MAY CONCERN

Arams Textiles Pvt Ltd has procured 02 Motex stenter Machine from InspirOn Engineering in october2023. These stenters are installed in our processing division.

The stenter Machine are being used for various processes like Heat setting, Finishing, Drying, and Curing.

We appreciate continuous Efforts of InspirOn engineering in terms of bringing positive technological changes in their latest model Motex 15000 "Uniflow" .the said machine is at par with European stenters with respect to design, utility productivity, workmanship. Which in line with our philosophy of "ATMANIRBHAR BHARAT" We shall always consider Motex stenter for our future requirement.

We also appreciate InspirOn prompt service back-up and technical support

We wish InspirOn Engineering very good success for their future projects.
